

MAJOR AREAS OF ADJUSTMENT OF THE SCHOOL PORTAL

1. REGISTER STUDENTS

A. Under the register Student form, kindly include the space for **Manual Student Admission Number** (Make this Optional)

B. Kindly change the Existing TAG for **Admission Number** to **Student Passcode**

2. ADMIN OPERATION CENTER

A. PARENT: Under link Parent to Student

- Let Parent ID be Name
- Let Student ID be Student Passcode (Which is the same as the System generated number for the student the way it is in the system but now called **STUDENT PASSCODE** and not **Admission Number** again.

B. ASSIGNMENT

Under Assignment, kindly change its placeholder names to be as follow:

TITLE, CLASS (In a drop down format to select from), **THE ASSIGNMENT, SUBJECT** (In a drop down format to select from)

C. RESOURCES

Under Resources, kindly change its placeholder names to be as follow:

TITLE, DESCRIPTION, FILE URL CLASS (In a drop down format to select from), **SUBJECT** (In a drop down format to select from) ,

D. UNDER BILL AND FEE MANAGEMENT

Kindly Make it like the below as requested by the schools:

- **BILL TITLE, CLASSES (In drop-down format), AMOUNT, DATE**

NOTE: The general request under this section is that schools have other areas of different BILLS to enter at a time such as Transport bill, Medical Bill, Inter-house Sport Bill, Sport wears Bill, Hostel Bill, e.t.c. Here the general request is that under their bill forms, there should be minimum of other six space boxes left opened on the bill Form where each school will be manually entering other BILLS amount according to each school.

E. UNDER ACCESS CONTROL

Under this general Account Access Management, ADMIN Only should be the SOLE Authority to allow **STAFF, STUDENT, AND PARENT** Only. Therefore ADMIN should not be included in this Drop-down. Otherwise Somebody also can LOG out ADMIN as well which is wrong. Each School should have the Autonomy on the management of the Portal Since it will function only on **ONE DOMAIN NAME**.

3. PROMOTE STUDENTS

Here, As I have said before, others also said the same thing, Kindly Change the information under this to the following:

- Promote Students from one Class to another Class.

NOTE: If one or more Students need to repeat a class, there should be a provision to be able to promote Students one by one in addition to the one on the Platform as well.. The was demanded for by the schools.

4. STUDENT LOGIN FORM R DASHBOARD

The Student new Dashboard Login interface should have the following:

- **Manual Admission Number**
- **Date Of Birth**
- **Student Passcode (Which is the system generated)**

NOTE: Pleased kindly make the Entering of the Manual Admission Number to be Alpha numeric i.e. Numbers, special Characters, Letters, Capital Letter and small letters in order to make it easy for each school according to their systems.

5. TEACHERS TOOLS

A. UNDER ASSIGNMENT

Under assignment, kindly change the placeholders as follow:

TITLE, ASSIGNMENT (Make the space expandable for messages/assignment), **THE CLASS** (In a drop-down to select from, **THE SUBJECTS** (In a drop-down format to select from)

B. POST TIMETABLE

Classes in drop-down format, Subjects in Drop-down format, the rest are Okay under this section.

C. RESOURCES

Under Resources, kindly change its placeholder names to be as follow:

TITLE, DESCRIPTION, FILE URL CLASS (In a drop down format to select from), **SUBJECT** (In a drop down format to select from) ,

6. CBT AREAS

Under CBT:

They want everything to be made simple to operate :

- **Under Add New question**, they want the interface that will specify and give Options for the Space to List the questions and Options Spaces for the Objectives with the ability to Specify the correct answer(s) from the options.
- The request the Platform ability to be able to Set Theory questions as well with set time(Munites) ability
- Ability on the CBT Platform to be able to set Fill-in the gap questions as well.
